Carolina Basketball Club Coaching Application for the 2011 Girls AAU Basketball Season

Dear Interested Coach,

Coaching applications for the 2011 Girls AAU Basketball Season have started. If you are interested in becoming a head or assistant coach in our program, please fill out the form below and return to the address below or email Coach Vince (coachvince@phoenixsouth.org).

Our program tries its' best to not have parents as head or assistant coaches, however in some cases, it is unavoidable, usually because of a smaller pool of applicants to choose from during certain seasons. Typically, if we do have a parent coaching, we try to offer a second team at the same age to give parents who are concerned about possible bias of the situation a choice of what team they would like their son/daughter to play on.

Our potential coaches have to agree to allow our program to do background checks on their personal history. We encourage our coaches to attend our annual coaching clinic and look for other ways to develop their coaching skills.

Once a decision has been made on whether or not you will become a coach in our program, you will receive a copy of our club rules and Coaches contract for the 2011 AAU Basketball Season.

Thank you for your interest in coaching in our program!

Sincerely,

Coach Vince Jacobs
